“ It was great sadness I heard of the passing of Clara. I knew her mainly as "Mrs Bear" the mom of my good friend Mark and his elder brothers Gary and Larry- who were also close friends to my older brothers. I remember Clara as a wonderful lady with big hair and an even bigger welcoming heart whenever I came over to hang out with Mark, She was the perfect counterpart to Mark's Dad who also was a very kind and compassionate person (although he wasn't blessed with the same hair!)

Carl and Clara and their boys were always integral part of the Partridge Acre families whether that was at sleepovers (where I was always amazed at the chance to see again the amazing variety of neat antiques that decorated the Bear home) or everyone battling it out at a big basketball game up at the Schlubs.

I also remember Clara lending a helpful ear to my parents and all other the neighborhood parents as they went about their sometime challenging points in their lives in our tight knit little burg center around Lucas and Ridgeway drive and the rest of the acres. It is no coincidence that she was a loved and successful parent raising great kids and was a valued friend to all her knew her.

Sincerely

“ Mrs. Bear was a very friendly and kind person. (Back in my day we did not call our elders by first name.) She was comforting to me when my mother died and I wish I could be present for her family. Larry, as one of the few remaining Boone Station class of 65, i personally want to offer my condolences to you. Carolyn Schlub Musser

“ Mrs. Bear was a good neighbor and Garry Larry and Mark were great friends growing up in Parkridge Acres in another time. Sorry we couldn't attend the funeral and reconnect.
Sorry for your loss.

“ Never will forget the wonderful Thanksgiving and Christmas dinners were had at my grandparents, her Mom and Dad’s, house.

Aunt Clara was always busy around both visiting and helping cooking at the same time.

She always had a laugh that your could tell when see was having fun.

She was the last of her generation in our family that went through the depression, World War 2, Korea, and Vietnam. She was one of those “everyday heroes” who had to withstand such problems, and still have a wonderful life. We will miss her, but never forget her.

“ I can remember when Aunt Clara visited Mamaw when I was staying with them for spring break. I spent hours in her hotel room listening to them tell stories. She loved her family so deeply and we loved her right back. She will be missed.

“ Clara was a model of gratitude. She felt so strongly about all the blessings she received from God. She loved her family dearly & was family to all of us in the Senior Adult Sunday School class at Maiden Lane Church. Clara was one of my favorite folks & was a proud republican supporter. We loved her & will truly miss her. Mike & Sherry Whaley.

“ I will miss cousin Clara's Christmas cards! I've kept everyone she sent me! In one particular card she wrote me her whole family tree! I love those cards & I love her!

“ Mom was a great mother. Her and dad were great role models and we got to go on many trips and see lots of this country.

“ Such a wonderful woman. I always made sure I would come and give her a huge hug in church. She would always talk about her gold cross necklace her husband got her and how they met. She was a woman who would make me smile :) She always said I was a pretty little girl and just was full of joy for the Lord. I can't wait to see her again when we get to Heaven
