“ Tim was my inspiration for becoming a Special Education Teacher. I had the privilege of working with Tim when he brought his students to Community Hospital to job shadow. Later, after receiving my degree, I was then privileged to work with him at CTC. He was an inspiration to his students; they knew Zeller had their back, would fight for them, and be a mentor for many beyond graduation. His passion for his students was an inspiration for me.

“ I am deeply saddened to hear of his passing. Tim was a wonderful friend and colleague. I truly enjoyed working with him at North and CTC. He was a great support for me as a new teacher and gave me perspective in the world of special education. His students were drawn to him and knew he would always be there for him. I will always remember his cheeky grin and chuckle!

“ Tim was a favorite cousin and good friend. He had a special character that allowed him to focus deeply yet see the humor in many situations. I will miss his well thought out analysis of a myriad of topics as well as his recommendation of great movies and books. We have lost a wonderful and loyal teacher, friend and family member. We'll think of you always, Tim.
