“ Just learned of this very sad news today, months later. my son Matthew Murphy was a dear friend of Aaron's, they loved their music, they had a band together. Many times playing Happy Birthday for me on my birthdays. I just told Matthew, he is broken hearted. My prayers and love go out to Aaron's family. Such a wonderful young man lost to us way too soon.

“ So sad to learn of your passing. You were a great friend at Indian Valley and Greenon. I have many great memories of you, especially your phenomenal piano skills! I have tried several times since graduation to reconnect with you with no success. Definitely gone too soon. Rest easy in heaven.
