“ Alice always allowed me to feel I was helping her and really she gave me energy. As my adopted mother she always showed her motherly love right down to insisting I take home a chocolate or maybe a peach when leaving after a visit. Tithing, communion, and prayer for anyone needing it, were her bedrock beliefs. All my love Alice

“ We sat together at church. I took sermon notes for her each Sunday with the scriptures John Peterson referenced. It was a joy to do this. We sat together at church meals also. Exchanged cards by mail often. She is missed.
