“ There is not only one memory I have! My most earliest memory is when I was sick and she made me something to eat! I was reading Sam, I am! I was about 3 or 4. She thought it would be cute to make me green eggs. I remember crying cause I thought my name was going to have to change cause I did not like green eggs! Being the loving grandmother she remade regular eggs for me! I will miss her! Love you grandma!!!
