“ Andy was such a giving and caring man. He would go out of his way to help a friend. He and Sam were so involved with Praise Kids ministry and loved putting together the Mother’s Day presentation for the congregation. They truly loved their children and all children! Andy and Sam even helped us move! Andy will truly be missed.

“ I have wonderful memories of when Andrew and Samantha came to Sulphur Grove UMC when Colin was a little guy. They were a very energetic and creative couple and put together a great VBS for us. I remember when they adopted Kieran from China and what an answer to prayer that was. Sam and Andy have dealt with so much illness in their lives but have always leaned on the Lord through it all. My thought and prayers go out to Sam and the children and Margaret in their grief but Andy is at peace and no longer suffering. May they find comfort in that and know many are holding the family in prayer, Blessings, Jean Mahan

“ I have fond memories of Andy, especially from the Deer Park High School production, Parkers, and a production at Hartzel United Methodist Church, back in the 1980s. He was a great guy. He will be missed.

Andy was such a sweet guy. We were ballroom dance partners in Parkers back in the 80s. He was born 5 days after me and our mothers were in the same room at Our Lady of Mercy Hospital. RIP Andy.
