“ Describing Tony would be like trying to describe how memories warm your heart. It really can't be put into words. But wonderful memories are what we will cherish now of our sweet friend. You will be forever remembered and dearly missed.

“ Tony was one of the most compassionate, amazing, loving ppl I've ever met!! He was a big teddy bear. On the extreme rarity of occasion that he became actually upset, I would laugh almost uncontrollably due to it being so 'unnatural', which didn't help but I mean come on, he was such a sweet, fun, loving man... I always told him "he had a party in his head" b/c he was the happiest, most positive person I ever knew. Thank you Tony for being such a positive and loving part of my daughter Taylor's & my life!! You will always be loved, remembered & cherished by Taylor & I. Ishy-boo-boo-do (one of the many sayings we shared over the years) Such a horrible to this world!!

“ Tony liked the Lakers. I like the Suns. Tony liked the Buckeyes. I like the Wolverines. I never let either of those now trivial differences reduce the amount I loved that dude. I'm thinking Eddie Money died to meet Tony at the gates & make sure he got his VIP pass, back stage catering, & the best seats in the afterlife.

I almost feel guilty for not hurting this much with past classmates passing. This hurts.

May waves of comfort wash over us all as we struggle to get through this agony.

Strength & Support.

“ We often heard a lot “about” Tony from his proud grandparents. But we got to KNOW Tony when we were in Fairborn in August. Loving, caring, fun, and so many other adjectives that could be listed to describe this wonderful human being. His love for Heather, Ian, Matt and his family and especially his parents shone through him. He will be sorely missed but we know we will see him again. Love, Uncle Denny and Aunt Kathy

“ Tony was a very special man. His personality was infectious, his love infinite. There is an empty space in our universe and he is now our angel in heaven watching over us. See you in the light.

“ Countless hours of High School Memories..... the first boy to ever ask me to dance, Acapella choir, Jolt cola, french fries & mayo. Rest well my friend "...and until we meet again... may God hold you in the palm of his hand."

“ My sweet teddy bear. I think I was one of your first bosses at Bonanza restaurant. Then I introduced you to my son Scott Bromagen. You loved making music together. I feel like I lost one of my kids. You will be missed. Remember our "Don't worry be happy " That was ours.

“ Tony was one of the kindest persons that walked this earth. He loved his family and his friends immensely. Knowing he is hanging with Tom playing music has giving me reason to to continue to celebrate their lives.
