*Rest in peace uncle Tony .
If Conrad Brindamour and his girlfriend Cindy Garverick wasn't so greedy the family could have had a chance to say goodbye*

It's very Sad that Conrad Brindamour didn't tell any family members of you passing . I sure wish he and his girlfriend wasn't such bad people to steal and hide your death.

“ I had the honor of meeting Antonio when he moved here with his family in Ohio. What a special guy. Most Americans will never know how much his efforts contributed to their freedom. He will be missed here on Earth. I hope he is eating cake and ice cream in Heaven. - Gary Hardy

Hi Gary ,
I am a nephew of Antonio . I live in Ohio and have been trying to find what happened to him. This is very unfortunate was not looking forward finding out of his passing.

Wish I knew so he could have had some family near him.

Hi Gary, Antonio was my uncle. Uncle Tony and Annie would drive to RI to come visit my dad, his brother, John, and my mother. My dad and mom would drive to West Virginia too to visit. My mom has been trying to call Uncle Tony for months. My cousin Charlie sent me the obituary. I'm saddened to find out my uncle didn't have family with him at the time of his passing.
