“ To April's Family: My condolences on the passing of April. I met her about a year ago when we were both receiving chemo at the Springfield Cancer Center. She told me her story of how she was diagnosed and what her treatment entailed. What we both enjoyed talking about were our children. We both had gone to OSU and we talked about dorms, etc. She told me about her work at Wright Pat and where she and her husband had lived. What she enjoyed talking the most about, were her daughters. She talked about renting a house and going to the beach with the family. I hope she got to do that.

It was very nice talking to her and she had a wonderful spirit.
