My heart is so saddened that she is no longer her but memories of her make me smile. She lived for her family, she was a strong lady, I loved working with her, talking and laughing through the day. She has an amazing story and lived her life to the fullest. Love to you my friend, Lizzie

“ *We'll miss you grandma. I'll always remember when you would pick me up on my birthdays and take me to Bill Knapps for a birthday dinner. Also all the Easter and Christmas dinners you would have so the family could all get together. You were one of the best cooks ever. I'll love you forever.*
