“ I will never forget the 1st time I met Bobby Ray in Ohio. He had an Eldorado Cadillac and was dating Faye. Then in 1978 he came to AZ and lived with his cousin Mike Johnson and myself at our Ironwood house and he grew up having a close relationship with Mike. He lived with us under a year then he lived with again over 6 years in the 90s at our Wethersfield house and he was a partner in business Cuz'ins Maintenance and Painting for over 10 years. We loved Bobby Ray and he will be greatly missed. RIP Bobby Ray
