“ *Barbara, Paula, Teresa, and all the Family,*

Our thoughts and prayers are with all of you at this difficult time. We know it is very hard. You will miss your Mom's physical presence there with you. There will be times you will want to pick up the phone to call her, or you will think of something you will want to ask her or talk about.

Bonnie was always so good to Truman when he lived up there. He loved his sister, Bonnie, so much. They are now together along with your brother and dad and all the others gone on before. She was a very special lady and sister-in-law with a loving and giving heart and will be missed by us all.

I was so glad you got to bring her down to the reunion. She was looking forward to coming down again this year, but God had other plans. She has now arrived at her eternal home where she will never suffer another pain or heartache. You will see her again. What a great reunion day that will be!

We love all of you and pray for God to bring peace and comfort that only comes from above where your Mom is.

Love you All.
