“ I met Carol when we worked together at DESC in Dayton. She was great gal: funny, warm, Attractive & helpful. We had many fun times together. I had spoken to her last summer & we had planned to meet in Columbus this summer for a get together. So very sad Carol is gone. I won't forget her. My sincere condolences to Carol's family

“ *I have had Carol on my mind lately and now I know why. I am heartbroken. Carol and I were the best of friends for so many years. We had a misunderstanding about 13-15 years ago and I had always hoped she would reach out. I sent her a card when Dick passed away and told her to call me. She didn't but I never stopped caring about her. We took so many trips together and had so much fun together. We worked at DESC together for many years. I hate that I never got to say goodbye to her and let her know how much she meant to me. I am so glad that she was a part of my life for so many years. It made me happy to read that she has two grandchildren. I also now have two grandchildren (also a little girl and boy). I hope Carol did not suffer. Rest in peace Carol. You never left my heart and hopefully I will meet up with you in heaven. God bless the family at this difficult time.*

“ *Though families part in many ways and drift miles apart, we will always remember the best times we had together as a huge family sharing holidays together in Springfield. To Brandon (and family) and Diana (and family), our sincere condolences. Recent years may not have been kind to her, but she will find her health and joy and abundance in eternity. God bless.*
