“ We are so very sorry to learn of Carolyn's passing. My best memories of her are when she and the family hosted many car shows to benefit the American Cancer Society. I loved stopping by Hackney Insurance office to just chat with her and Vicki . She always gave motherly advice and really loved just talking to people at the car shows when she wasn't making those great walking tacos . She was a wonderful role model not only to her family but to all who were lucky enough to have met her. Joe and Regina Matis
