“ Here's the thing... she wasn't as great as everyone says she was. She cheated on me the entire time we were together... with michelle... kicked my son and i out and then got married two weeks later. She was ABUSIVE to my son. She beat him with a wooden stirring spoon until his little butt was RAW... SHE WAS CRUEL TO OUR PETS! OMFG I could go on and on.

"Don't speak ill of the dead"... Yeah yeah yeah... she was was horrible person and I'm notnsorry that she's dead. Also, a bunch of us think that Michelle killed her. There were texts proving that Michelle was abusive as well... so don't let the "mourning wife" act fool any of y'all.
