“ Chuck was a brother of mine in the Air Force. Just found out about his death. Wish I'd kept in better touch. Makes his loss that much more painful.

“ I avoided all confrontation with Chuck during LCHS days including the day I walked out of the dorm in my fluorescent orange hat only to see Chuck wearing the same hat. He gave me the one raised eyebrow look and I did a 180 back into the dorm to remove the hat. One vivid memory watching "Top of the Pops" I noticed Chuck singing along to the Eagles "Lyin Eyes". This showed what all of Chuck's friends knew too well, that the tough exterior had a soft chewy center. Knowing Chuck later, you couldn't find a more generous, caring and faithful friend. Sad that he left us so young. I will miss the stories and our world will miss him. He was one of the good guys....RIP.

“ You were a Best friend. Ever since the day we met at London Central High School. Miss Parotts class, your great talent in drawing, you brought me such peace in those days. Then 10 years ago our forces rejoined. So many phone conversations. I will never forget when all those kittens were born to your spade cat. Oooops. Looking for vehicles on line, your listening ear, oh I will miss you so much. You were one of my dearest friends. Friends for 44 years..... I can not say that about anyone else. I love you Chuck and you will be so missed by me.
