“ Chuck was the best plumber. He took care of all our issues for years. He was very talented and seemed to be able to fix anything. He seemed to enjoy training his son his plumbing skills. He always had him on services calls for several years. You will surely be missed. It was nice knowing we could call you for all of our plumbing issues. Chuck shared multiple stories of his Native American adventures.
It was nice meeting. Rest in peace Buddy 🙏

“ Tamra and family, I am so sorry to hear of Chuck's passing. I grew up in Fairborn but went to school with Chuck at Greene Joint. He was always such a goofball making everyone laugh. We've been Facebook friends for a few years now and I was happy to see that time hadn't made him lose his sense of humor or ability to make people laugh. Heaven gained a good man. Sending prayers of comfort for all of you.
