“ Cole was a great friend, he was family. We cooked together, binged watch shows we loved all night long, had many of nights playing board games and cards around his kitchen table, adventures to places we’ve never gone, and sometimes shared a shoulder to cry on or a close listening ear. In more ways than one, this loss has impacted our family for the rest of our lives with wounds we fear cannot be healed. We hope your mind is calm now friend, and that your soul can finally rest peacefully.
