“ My favorite memory of Connor was when our families went to Kings Island together. Being the "big chicken" that I am, I was so thrilled to tag along with Beckye and Connor on the kiddie rides. It was a fun day with a very special little guy.

My heart aches for you all but I keep the faith in knowing we will all be together some day. God Bless you all.

“ One of most favorite memories is when you came paddling in a sinking row boat to me in the middle of a lake. We laughed so hard once we realized two of our friends were stuck in a tree yelling for help. I knew that day that my heart was falling for you. From that day forward, our friendship and love grew and our great memories began. I will miss you more than words can express. I love you Connor Williams. Love Trinity S.

To Connor's family, my heart breaks for you. I don't know you and you don't know me, but I am a mom, and he was your baby boy, there are no words to describe. I will say a prayer for you and your family.
