It is with deep sorrow that we announce the passing of Cynthia J. Rothery, a beloved mother, grandmother, sister, aunt and friend, who left this world peacefully on Thursday, July 10, 2025, at the age of 68. Cynthia was born on October 7, 1956, to the late Kenneth and Ruby (Farmer) Thornton, in Ironton, Ohio. Cynthia graduated from Greenon in 1974. She is preceded in death by both of her parents, four siblings; Kenne, Dreama, Keith, and Denny. She is survived by her loving daughters Devyn Bollack, of North Lewisburg, OH, Ashlee (Frank) Lowden, of Canal Fulton, OH, a loving sister; Peggy Bates, her eight grandchildren; Kayleigh, Blake, Brant, Garret, Troy, Trevor, Trey, Leah, one great grandchild; Brooks. They were the light of her life. She cherished every moment spent with them, creating memories that will be treasured forever. As the “fun aunt,” Cynthia held a special place in the hearts of her numerous nieces and nephews. One of the most significant relationships in Cynthia’s (Thornbush) life was her deep and enduring friendship of 60 years with Jennie Roberds Shank. Together, they shared adventures, laughter, and a profound understanding that only comes with decades of friendship. Cynthia was known for her infectious laughter and love for celebration. She had a remarkable ability to light up any room she entered, bringing joy to those around her. Whether it was a gathering with friends, or family events, Cynthia embraced every opportunity to PARTY and celebrate life. She will be deeply missed but never forgotten. Adkins Funeral Home in Enon will be assisting Cynthia’s family with her final wishes. www.adkinsfunerals.com

Cindy was one of my closest friends, more like a sister. When we decided to leave Enon and move to the lake, we knew we were starting a new chapter in our lives and we embraced it! And to all the people here at the lake who embraced us, well, what can I say but we had a blast!! I'm going to miss you terribly, but we sure made a lot of memories in those eight years. So blessed to call you my friend, love you forever!

Cindy was my sis in law. She was a great talker & listener. She gave me 2 of the greatest joys of my life ... my 2 nieces ♡♡ Years ago we enjoyed country concerts, canoe trips & singing at Christmas time, standing around the organ while my mom was plates. Family gatherings, where she would always brings 'the best' veggie tray. I will miss you Cindy. Love you, Cheryl ♡ ☐

Cindy gave me a priceless gift. I've often felt like people just tolerate me, but she always showed that she genuinely liked me. I remember sitting around bemoaning our various circumstances with tears and anguish at times. But, the conversation always turned around, and we ended up laughing our heads off. Gosh, I love you, Cindy! Always will.
