“ Dave Gossett was an amazing fun loving good hearted man. I'm truly blessed and proud to have been able to call him my dad. Dave was always here for all of us , whenever he needed him. No matter what time of the day he always came to our rescue. Dave always knew how to cheer us up or make us laugh...or give us advice. He really took care of us , he was the glue that held us all together. I will always be grateful for him and the love we shared. His voice, his laughter, all the "honestly babes" or his facial expressions imitating me " can I have a cup of coffee". I will cherish our many memories that we have shared throughout the years. Dave was the strongest man I ever knew, the best grandpa in the world to my kids. I honestly dont know what I would have ever done without him in my life. Thank you for loving all of us , sticking up for us and always being by our sides. Thank you for loving my mom and making her happy. Dad you will always have a special place in my heart and your name will be etched into my soul forever. I know that my grandparents and your mom will keep you in good company ...until we meet again always remember I love you forever. Love Kate.

“ Dave was a good father in law to me. I've been married to his daughter for 6 years and he always treated me as his own. He was the man everyone looked to for advice and help. He liked to help everyone . I'll miss him dearly and I'm thankful I was a part of his life.

“ Dave Gossett was an amazing man. I thank God above that I was blessed to share my life with him. He was my dad. He always will be. I will miss him for the rest of my life. He was so strong, kind, and the best husband and father we could have ever asked for. He was there for all of us whenever we needed someone. He would know how to fix things, give us advise, be a shoulder to cry on. He was the Rock and core of our family. He loved to laugh and tell jokes. He was friendly to everyone he would meet. Made friends easily and always smiled. He took care of us. He took care of my momma. I've never imagined my life without him there. Now there is a hole in my heart that can never be filled. I have so many memories with Dave. I wish I could put them all into a video to relive throughout my life. I will always hear his voice. He will always be apart of me. I wish I had words to describe how wonderful he was to you. But there just aren't words to describe him. Thank you daddy for all of your love. Thank you for all of the times you stood by me and loved me unconditionally. Thank you Daddy for putting a smile on Moms face and loving her until the day you died. You made her happy. I will never let you go in my heart and mind. You will live on in our hearts until we meet again. When it's my time, to return home, I will not be afraid, I know you'll be there waiting for me.

“ Dave was always there for Tiffany; my little girls and I whenever we needed him. I can recall getting really ill in the past, and the first one to show up at our house to check on me was my father in law Dave. Buddy, I miss you, I love you, and you will forever be on my mind until we see each other again. Love, Preston Alden
