“ I have many memories of Dave, my cousin, going back my entire life. Some are probably forgotten, but as kids playing together at our grandparents farm and other family reunions. I have been lucky to have enjoyed time together with Dave the past 15+ years at our train meets in Tennessee. My fondest memory will always be his smiling face and his genuine happiness with just being together. He's left us too soon. Love to Debbie and daughters Megan and Dina.
