*Sister Deb had such a fun-loving sense of humor. She was a real free spirit with a genuine kind heart. She always looked for the light side of things in every situation. She never wanted anyone to feel down or sad. She loved our Lord, her family and friends more than anything. These things were most important to her. My heart hurts Deb to let you go here but I know it's just for a little while. I love you; my sister and you'll always be in my heart.*
