“ Debra was born when I was fourteen years old. Her dad was my first cousin. I remember Bob and Doris would bring Debra to visit us and she would like to sit on the piano bench with me as I played, and she would sing along. She was a sweet little girl. It has been a pleasure over the past thirteen years to get to know her as an adult and meet Doug, Andrea, Mike and Owen. We had some fun visits with them at the Cincinnati Zoo over the years. Also, enjoyed a special dinner as their guests at Knob Prairie Church in June 2021. I know Debra will be missed by many people as she was a joy to know.

Our deepest sympathy to Doug and family. Mary Spengler and Steve Miller
