“ A wonderful woman whom I loved dearly. Myself, and my family, loved going to Grandma Doris' house! Grandma Doris gave us many wonderful memories, plenty of butt whoopins in Foot and Mouth, and an abundance of great tasting home cooking that only Grandma Doris could create. I love you and miss you Grandma Doris.

“ I remember Doris teaching me how to make french toast with the egg cooked in the middle of the bread without busting the yoke. She was a beautiful soul. Thinking of you all.

“ I will never forget the day I came to grandmas house and noticed all of these eggs she had. I had just learned about them in school so I started telling her about them and she lit up with joy! She gave me this one and I will cherish it forever in her memory. I love you grandma ❤️
