“ Sometimes in life we are fortunate to meet someone who can be an example and a model that we can aspire to and guide us in our own life. I was fortunate enough to meet such a man in Don Ingram. Always generous, always selfless. Around the fire department, Donny was always willing to do the work that needed to be done without fanfare and without recognition. He was always at work, yet he found time to offer his friendship to me. My life is richer for it. I mourn his passing.

“ Sorry to learn of the loss of Don and at this time my thoughts are with his family and friends. Don and I worked together several years on third shift as a two man crew. He is a hard worker and I have many good memories of the time we spent together. It is difficult for me to put my thoughts to words now but I want to say that Don is a truly “Good Man”.

“ There are people that enter your life that just make you better. Donnie was one of those people. He was always willing to teach you something. We can only imagine the reunion he is having with all the FF that have gone before him. Rest easy Donnie well take it from here. The Fenwick Family
