“ Just loved Doris and her husband, Bob - they were the perfect Santa and Mrs Claus with a heart for Jesus! It was a pleasure to elf around with them. I will miss Doris, as I do Bob, but it is only for a season! Rest in the arms of God!

“ *She was like a family member to us. So many wonderful memories with her. Always loved seeing her at church. My Heart go out to all her family. She was the matriarch of her family. She loved so willingly. Prayers for all. I know her and grandpa are together in heaven smiling down on all of us.*

“ When I think of our Aunt Doris and Uncle Bobby I have the fondness of memories. My favorite is when we were children we would all go swimming in this little creek behind there house in Troy City. I will never forget as a child swimming in that creek with a inner tube and swinging from the tree on a rope. My cousins Rob, Doug, Mark, Ronnie and Bryan, all Aunt Doris sons we all played together as children in that little creek. I will always remember those hot summer days and fun we had. Aunt Doris was such a free spirited person and she loved life but loved her children even more. She always knew how to pull your heart strings just the right way. Oh and I miss your homemade doll pickles .Rest in peace dear Aunt Doris and when u see Uncle Bobby please tell him we still reminisce about the fishing trip in Virginia Beach. Love you both and God bless you and thanks for all the wonderful memories that will last a lifetime. ❤️

“ Share a memory? How can you share just one when there are so many wonderful memories growing up with this family, and Doris and my mother making sure all 11 of their kids were happy and healthy. Baseball, cub scouts, Warriors football games, fishing, camping, Dingus Tunnel in West Virginia, and more that I would have to be reminded of. I am sure sitting with the boys will bring many of them back. Doris was our second mom growing up in and around Clark and Campaign Counties. In these terrible times, women like Doris Coberly and my mother, Sue Collins, are greatly needed. It is on the backs of women like these that we've made it this far. Love and miss you Doris, fly high with the angels!
