“ *This is so sad to see. Joan called me almost everyday for nearly 5 years. Joan was a very kind lady . I first meet her in church of our late pastor Mike Notestine. She was good friends with my mother Margaret Pugh after my Mom died Joan always called me every day to see how myself and family were doing. You will be very missed Joan. I wish I had known of your passing I would have been at your service. Rest High with God*
