“ I was Eric's partner for many months of last year. I travelled from Michigan in order to meet him for the first time and stayed with him. He stayed with me and my family for a week in the summer. He told me how he had loved me and how he wanted to move to Michigan. Even though we separated, he was always on my mind. We were connected in so many ways. He is at peace now. I will always love him the way he loved me, and I wish pure solace for him in the afterlife.

“ In loving memory of Eric Craft, I will never forget you ever. I love you so much baby... you were the best boyfriend a girl could ask for. You were definitely my soul mate and it'll be hard without you dear. I wish we could've gotten the chance to go to Michigan together. It'll all be okay one day. I'm doing this for you... I always will. Bet your shredding it up there hun... best of love babe... -k

“ *He was my best friend. The night he passed I was talking to him. We were so close. We were talking about getting an apartment and moving away... he was saving up for it.. this is so surreal and heartbreaking. I cannot believe this... and to his father, I'm so sorry for your loss. He was such a good dude ... I feel for you.. I truly do. I love you Eric... Rest In Peace man...*
