“ *I would like to share a saying that Peggy and I bought as a poster when we was just starting our lives tighter. It hangs in my door way and reminds me of the all the people that have gone before me and how much they touched my life. It's called Some People - Some people came into our lives and quickly go. Some people move our souls to dance. They awaken us to new understanding with the passing whisper of their wisdom. Some people make the sky more beautiful to gaze upon. They stay in our lives for awhile leave footprints on our hearts, and we are never ,ever the same. He was one of those Some People.*
