“ *Eva and my mom loved sitting out on her porch. My mom would blow a air horn to get the cars to not pass the stop sign. Eva would laugh her head off as my mom got them all to start stopping at the stop sign at wakefield drive. Good times. The other picture is Eva and her friend.*

“ *Eva was a sweet, kind hearted soul. When my mother was sick Eva spent a lot of time with her. The two of them would sit and visit for hours about the old days in Kentucky. I know she was a great comfort to my mother. It was a blessing to know Eva. And, that fudge she made was delicious.*

“Eva always welcomed folks that would come “sit a spell” on her big front porch. All of us neighbors viewed it as a social gathering place to share the happenings of the day. She had a big smile with a little country charm. It drew us in and made us love her. She was a very special friend to my mom, Ruth.

Eva made amazing homemade Christmas fudge. And, she knew that peanut butter was my all time favorite. We will never forget 2015 when Eva came over to share her recipes and teach three of us how to make “Eva’s Special Fudge”.

It’s now a tradition and a memory we will always cherish.

Such an amazing lady!

My grandma thought the world of you Denise. Thank you for always being there for her. The last time my mom visited she had in her mind that she was making you candy. Mom left with a smile and told her she would bring the ingredients back. ❤️

“Eva was like a grandma to my twin and I. My dad and stepdad thought of her as mother figure who they both admired. She was like one of the golden girls to my mom. A friend that my mom loved to spend time with running around town. My kids thought of Eva as a great grandma. They loved spending time with her and helping her around her house. We all enjoyed her company and had many laughs together. We took her out to eat and shopping and pretty much everywhere. She was a strong lady who wasn't afraid to speak her mind. She had many friends thru the years that will cherish her always. Some of my favorite times was sitting on her porch catching up on what was going on in our life's. My family treated Eva like our own family. I would say God has blessed me with Eva, one of the best neighbors to have grown up beside. She knew my twin and I from the day our dad and mom brought us home from the hospital. The older my twin and I got the more we grew to love her and value every visit we got with her. Rest in peace Eva we will love you always and forever. From Annie Risner
