“ I met Ray in 2002, we seemed to hit it off right from the start. He really made me feel like I was a part of the family when I married his daughter.. Not only as a son-in-law but more like a son! He was not only my father-in-law, he was my buddy!! Then the year came that he took my Harley for a ride on one of their visits to Ohio, Next time we talked on the phone he told me that he sold his boat and had his eye on a Harley.. I will miss my riding buddy! Dont worry about things here, I got your back. Until we meet again my friend! Love and Miss You Buddy, Tim Ratliff

“ *I have many wonderful memories of Ray...such a caring and compassionate guy. He was like a brother and father to me but most of all a treasured friend. He left many friends behind who will carry a piece of him in their heart forever. Rest in peace my friend...until we meet again.*
