“ Freddie, You were the nicest and honest man. Loved talking to you in the coffee room. He saved me over 500 coffee cans for a family auction. My father-in-law had every kind of nut, bolt, and screw there was . So for the auction we took coffee cans and filled them up and labeled them. It made our life so much easier in getting ready for the Big Sale. Sending love and prayers to his family. Carol Garver, Retired from DDN

“ Uncle Freddie has always been an incredibly loving and kind Uncle. When he came to live with my parents in Cynthiana, Kentucky to learn his trade as a linotype operator in the printing business, he has always treated me with love and kindness. I have too many memories to post, but just suffice it to say I will cherish all the memories I have of this dear sweet Uncle that I will see reunite with in Heaven.

He's the best Uncle, very best Uncle...
