We met Gary & Nancy when we were first married and Dick worked awhile for Leonard & Gary at the station. We were friends from then on. I never forgot the time we went boating with them and we kept breaking pins and the boats went flying by and we bounced & bounced around and I said I would never get in another boat. To top it all off, Nancy and I were both about 5 months pregnant. Gary was a great guy and he will be missed.

“ Kathy, I will remember your Daddy for his sweet, kind personality. I didn't spend a lot of time with him, but I felt close to him immediately. A thought came to me yesterday afternoon that our Daddys are getting to know each other now, and will make as good friends as the two of us. My heart is with you, your Mom, and the rest of your family.

I'm so sorry to hear about Gary. He was always so fun to be around. I remember all those good times we had at Aunt Ruby's, Uncle Herb and Uncle Walt's house growing up and when you guys had the pony in New Lebanon. It will be so hard, for a long time; and especially on holidays, but at least he is not suffering anymore. We all will meet again someday but until then, he would want all of us to keep enjoying our lives we have on this earth. May GOD be with you all at this sorrow time in our lives. RIP Gary. We will meet again. Love you all. Cousin Chris and Jimmy

Kathy, my heart goes out to you, your mother and all your family members. It's so difficult to lose a parent. Try to focus on all the wonderful memories and you will feel his spirit with you. Little things will pop into your daily life to remind you of him....cherish those fleeting moments because God is placing them before you to let you know your Dad is in a good place and sending his love to you! You are in my prayers!
