

Gary J. Seitz

December 18, 1963 - May 20, 2018

It is with deep and heavy sadness that we announce the death of Gary J. Seitz, who passed away unexpectedly on May 20, 2018 in his home. Gary, son of (the late) David and Irene Seitz, was born in Coldwater, Ohio on December 18, 1963. Gary is survived by his mother, Irene, and his loving wife of 30 years, Becky Seitz of Springfield. Their marriage was the epitome of a devoted partnership. His legacy will live on through his children, Lindsay (Alex Seminara) of Columbus, Tyler of Columbus, and Trent of Springfield. His children were his greatest source of pride and joy. He was a beloved brother to his two brothers, Doug (Ginny Puthoff) and Mike (Jenni Buschur), both of Coldwater, and sister, Kim (Mark Metzger) of Fort Recovery, and a special brother-in-law to Barb (John Deeds) of Rawson, Bonnie (Larry Price) of Englewood, Bev Hollen of Vandalia, and Kent Bradley of Columbus. He was fiercely loyal to his friends and family, which also includes several nieces, nephews, aunts, uncles, and cousins. He is preceded in death by his father, David, his sister, Jodi, and his mother and father-in-law, Don and Jane Bates. Gary graduated from Coldwater High School and Bowling Green State University, where he studied finance. He will be remembered by customers as a friendly face who was always willing to go the extra mile at Security National Bank, where he served as the branch manager. An avid Buckeye fan, Gary also enjoyed serving as an usher at The Ohio State University football games. He was an involved member of the Enon community, volunteering his time and talents with numerous organizations over the years. He also enjoyed

spending time with his two dogs, Toby and Sadie, and always took interest in his family's hobbies and passions, ranging from sports to raising animals for the fair to crafts and home improvement projects. He will be remembered fondly for his selfless nature, creative workmanship, and kind spirit. He had a huge heart, but unfortunately, it wasn't quite strong enough to allow him to continue living the life he loved so dearly. He will be missed tremendously. A visitation will be held 2-4pm and 6-8pm on Wednesday, May 23 at Adkins Funeral Home, Enon. A celebration of Gary's life will be held on Thursday at 11am in the Knob Prairie United Church of Christ (Enon) with pastors, Chad Group and Rev. Robert Jencks officiating. Burial will follow the service in Enon Cemetery. In lieu of flowers, donations can be made at Security National Bank to the "Enon Community Fund," which will support local youth organizations, just as Gary did for many years.

“ I had the pleasure to share an apartment with Gary at Bowling Green State University. The best qualities of friendship, sincerity and good humor stand out in my time as his apartment mate. We had a lot of laughs related to my lack of height and his abundant share. So many fond memories of Gary that I could share for hours. My sincere condolences to Becky and his entire family. He was a top notch gentleman who graced us all.

“ Gary was a great man and a family friend for many years. When I think of Gary his smile and ever loving grin comes to mind. He always had a smile on his face. I remember when we had a gravel driveway that we were getting rid of and we asked if anyone needed any gravel for their house... well Gary had just put a pool in and wanted the gravel to go around it, so he jumped on the offer..... every night for several weeks he would stop by after work (with his suit and tie on) pull up and load up 4 or 5 pails of rocks. We would visit for a few and off he went all sweaty only to return the next day! Needless to say he has a nice circle of rocks around the pool. I still can't get over the fact that he is gone. But I have no doubt that the next time we play cards.. he will be harassing me about always being the last table done!! Heaven gained a kindered soul!

“ Oh man so many memories! He helped me when I got my bank account at 16yrs old and helped me with anything bank related for 10yrs.He helped me buy and get my house when I was 21 years old. He even sent me a congratulations card. He helped when it came to remodeling my home and getting a loan. He was so excited about the renovations he came by and looked at it. He helped me out when my ex fiance and ex boyfriend stole several hundreds from me and so it didn't ruin my credit and lifestyle. Anytime I had fiancial or bank relation questions even after switching banks he was always there. My family let him use their condo for vacation, the painting in his office is my brother in laws. When I vented about hardships of life he would always try to encourage and help support me. When I was sick and needed help he would come to the house to help or get papers signed. He is the personal banker and family friend that is ideal and everyone talks about but he actually did and went well beyond for anyone. I graduated HS with his daughter Lindsey and I can't even imagine what shes going thru she was definately a daddys girl and he loved her. My condoloscense and sympathy with his family. He was a kind and amazing man. So shocking and so surreal. My hearts and prayers are with you

“ Lindsay, I can't imagine how your hearts are breaking during this difficult time. Your dad was a shining light in any room. So kind and warm, he loved his family with all he had. Every time I would see him at the bank he would brag about you and your brothers (and rightfully so!) He was so proud of all of you. I hope that his spirit lives on in each of you. Such an amazing man. You all are in my prayers.

“ *To have lost your love of 30 years or more is inconceivable. To know that 3 wonderful children came from that love is a blessing. To know you are surrounded by those 3 and so many, many more is a reflection of that love. May God's love continue to give you strength. My deepest sympathies.*

My deepest sympathy goes out to all the family during this difficult time. May the Lord uplift you and hold you in his loving arms. I had the honor of being Lindsey`s teacher when she was in first grade.

I remember when I first started working for Security 19 years ago. Gary and Danita worked in the lobby of our main office and would love kidding around with each other. Several years later he moved up to our 2nd floor where I was working and I got to see him more frequently. He was always so kind and caring for those who worked for him and around him. I want to express my sympathies to Gary's family. I know words are not enough in this tough time, but I am praying for you all. Gary will be missed here on earth. Our comfort is in knowing that we will be reunited with him one day in Heaven. God bless you all!
