George loved gardening he had a distinct green thumb and it showed off in his garden every year. Tickering with machinery and bird watching were a few other things he enjoyed. Anyone that knew George knew everyday was a great day to cast a line in his eyes. George is survived by his daughter and son-in-law, Wendy Jo and Matt Engle of West Chester, Grandchildren Meghan E. “ Just happened to see this, I know that it has been two years since his passing but hopefully not too late for some words. We did not always get along, but that's okay. George was just being George. I do remember that he liked Alice Cooper, and doing car stuff. I remember Brenda being pregnant with Wendy, and thinking here comes another Melnikoff, how exciting. You had wonderful brothers and sister. I remember the family fondly. Hope you didn't suffer George. Rest in peace.
