“Ginger would sub in my classroom. She was very thorough and did a fabulous job. Afterward we would talk and share stories and laugh. She was a great lady and friend for many years, but our lives within our own families kept us busy so we chatted now and then. Josh, Andre' and Samantha have done an exceptional job caring for both of their parents, which is a direct reflection on how Ginger raised them. It's with sadness we say goodbye for now until we meet again.
