“ *Glenna was the best friend I ever had....for over 30 years!! We shared laughs, tears, stories about our kids and grandchildren and many, many talks about the Bible! She loved the Lord with all her heart and gave so much of herself to others. She had the most beautiful singing voice and loved hymns and gospel music. Due to health issues I will be unable to attend her funeral but that's alright since we said goodbye on the phone when she was coherent and talkative and we laughed at crazy things we did over the years. I told her I loved her and she said she loved me too. So my precious friend, rest in the arms of Jesus and I'll see you again one day!* ”
