“I unfortunately have regrets of not seeing her for a long time! I am thankful for all of the fun times I've had with aunt Gloria. She had a way of making each one of us feel special! Of course I always have the song she sang to me every time we were together. “Lisa,Lisa where did you get your eyes”

“ I’m going to miss Aunt Gloria so much , she was one of a kind in many ways . There were so many times we would talk on the phone for hours as I’m driving between states getting to my next work location . She said on many occasions how much she loves me and I was the daughter she never had which meant the world to me . I love you Gloria forever !
