“ Many years ago, Glen, Helen my wife and I went to Camp Perry club house to get an honest to goodness ice cream old fashion soda. We had a great time riding our "Goldwings" up but on the way back, lets just say that the ducks were walking. It rained so hard that we had to stop and clean our visors just to see the front of the bikes. Yes, we laughed about that ride for a long time. Never did go looking for a genuine Ice Cream Soda after that. Miss those days with the "bikes". Even did one on Christmas Eve with "Santa" on I70. It was cold but the looks were worth it.

“ I met Helen & Glen through my neighbor Barbara Hall- Very sweet, loving people- One of my fondest memories is taking Helen and Barb to see the Christmas lights around Enon the year before Helen moved to NY. So blessed to have met Helen

“ Growing up she was my next door neighbor in Enon. She was always so sweet. We had many conversations & hangouts right up along the porch. Last time I saw her was in 2008 when she came to my graduation party. My parents stayed in touch & I always asked about her. This saddens me but 97 years is a good life. Shes in a better place. So grateful to have had her as a neighbor for those years
