“ I am going to miss you making fun of my height even though you weren't that much taller 😞 you were finally taller than someone so you had a chance to make fun of someone. Lol Brad you were a great friend/cousin. You were more family to me than some of my own family. Thank you so much for being there for me whenever I needed you! Meghan and kids I need you to know I am so truly sorry for his passing and I love you all so much! Brad loved you all more than he could even express. I love you guys! RI heaven Brad ❤️
