“ I went to hi school with Jackie where she was not involved in many activities. Later in life, she was involved in many groups and activities. She was a member of our 55th Greenon reunion group. She will miss our reunion (in Sept.) that she helped plan. Bless Roger--for we know he will miss her and her help. What a wonderful person she was !

“ Jackie was one of the most loving people I have ever known. She was always ready to help anyone who asked for her help. I will always remember the fun times we had hunting mushrooms together. I feel fortunate to have known her and for having her for my friend for so many years.
