“ Worked with Art for 6 years and continued to see him at events in the local automotive scene a few years afterward. A final, yet good memory of him that I have is watching his personal car take awards at shows, knowing that was important to him.

“ I worked with Art for 15 years at Kramer. He was always nice and had a smile for everyone and was so versatile in his work. My condolences to all his family and friends. He will be missed by all.
