“ *Bill and I always enjoyed coming out to the store and seeing and talking with you. I will miss those long talks that we had and just knowing that you were a phone call away. You always reminded me of our Dad. Thank you for your military service, we are grateful and will always remember the sacrifice that you made when you were just a young man. God Bless you for that. I pray that God will be with your children and grandchildren at this sad time. We will always remember you and you will be missed. Your Sister, Geri Weber*

“ Pap,

I can't believe you are no longer with us. I guess I never thought about what it would be like when you would no longer be here. You have always been such a key part in our family and now that you are no longer on earth with us anymore, I am struggling to accept it. I've spent the last few days going through pictures and thinking back to some of the wonderful memories I have of you. I will never forget our long walks in your woods, hunting for mushrooms, your unbelievably terrifying rides on your four wheeler, and the list could go on and on. I'm so thankful you were able to meet Sophia and Scarlett or as you would call them "meatball" and "little dude". You have given them memories I know they will never ever forget. Thank you for being the best papaw I could have ever asked for. Please give Nana a hug and a kiss for me and tell her that I love and miss her. I love you Papaw. Until we meet again.

Love,
Rudock (Ashley Knaier)
