“ I will never forget the first time I rode in a vehicle with Uncle Jerry driving. I was about 10 or so and we were heading up the road toward Great Grandma's house "Berniece Watring" in an old 3-on the tree pick-up. He let go of the wheel, shot his hand through it and shifted smooth as butter. It scared the daylights out of me! By the time he got into 3rd, I trusted him completely. Love you, Uncle Jerry. Your Great Nephew, Mark Winston.
