“ *The fact that one person, from Pennsylvtucky could be so special, to so many people, is not a shock. Jack would not only give you the shirt of his back, he would give you a sport jacket and pants, if that is what you needed. For many years when stuck for a name, Vern just comes out. I've got some odd looks, from many. Then I'll share that the smartest guy from my H.S. class . middle name was Vernon. Johnny was factorial cool, and he got that, from his way cool father. God be w/ you all. uncle Wally*

“ *What an awesome man and friend Jack was. As a USS Howard W Gilmore shipmate I asked him once what his rank was on board and he said, "Just put down (on paper for the article I was writing) tell 'em that I was an able bodied seaman!"...that was our sweet Jack...always making me (and others) smile! Rest in peace, dear friend. Love to his beautiful wife and family...*
