“ To Gail and family. I was so saddened to hear about John's passing. He and I were close friends from Jr High thru high school. I attended your wedding in 1977, but, sadly, we lost track of each other once you guys moved to Ohio. We had many good times playing pick up games of softball and football (he badly stubbed his finger one time fielding a hard-hit softball at shortstop), were co-workers at Rea & Derrick drug store during our high school years, and we camped out a few times in a tent in his backyard along with Bill. We had many fun times together. John was a big man, but he was kind and gentle, and had a heart of gold. Blessing to you and your family.

“ I got to know John through my brother, Joe, who was John's friend from Central Dauphin High. John was a very good amateur photographer by then and since Ginny and I were paying for our wedding, John volunteered to be our wedding photographer as our wedding present. He did a great job!
