“ *I enjoyed my time at Greenon with Jonathan. He had a unique perspective on many subjects. He made me smile with his brilliant observations and comments. Many times I needed some help on the computer and he was always helpful and patient with me. I will miss him but am grateful for the fond memories.*

“ To the Suver family, I am very sorry to hear of the loss of your son, Jon. Jon came to our class every day and brought a keen insight to a wealth of topics. Jon, like several of his classmates, really enjoyed writing and reading his stories to us. He was blessed with wit and a sense of humor. I was very happy that he was going to the CTC----- it would have been great for him. Jon enjoyed being funny----making people laugh.

Heaven just gained another comedian-----his name is JONATHAN SUVER.

My thoughts and prayers extend to his family. With Respect, Mark Striebich

“ *We are sending prayers during this extremely difficult time. Jonathon was a great person - the stories I've been told about him at school the last several years show that he had an amazing ability to put a smile on everyone's face around him. He will Truly be missed!*
