“ I worked with Joe at Charter Network over 35 years ago in Dayton. I was starting out in sales at that time and Joe was my sales manager.

Joe was a great salesman, more importantly a great friend and mentor to me.

My deepest sympathies to his wife Rita ,his daughters (Missi and Kim), and extended family.

“ Joe was great neighbor across the street. We had conversations sometimes or just a wave. His relationship to Jesus was steadfast and had a very good memory quoting and sharing Gods Word and an ambassador for Jesus. He fought a good fight and kept the faith and am confident in Heaven which he shared with many friends and family

“ Bro. Joe was a living testimony to all who would listen, about how God can change your life completely... if you let Him. We loved singing to him and see him cry tears of praise, hearing how he was given a choice by Jesus and his decision was the best he ever made. We enjoyed his laugh and great sense of humor, his ability to tell a story, working alongside him for The Lord, his words of wisdom and his big heart for those in need. We definitely enjoyed his legendary homemade sauce, meatballs, beef n’ noodles and soup. He was always so generous and filled a big bowl for us every time. Bro. Joe lived out loud for Jesus and we loved him dearly. Looking forward to the day where we can all sing with him again. What a day that will be! My heart goes out to the family. My deepest condolences and prayers for you all and those that loved Bro. Joe.

“ Brother Joe always went out of his way to be nice to me & to make me feel welcome! He would ALWAYS remember Rachel & I whenever he would make his famous beef & noodles. He would call me on the phone and say “bring a BIG container!” and I always did!! Brother Joe was always helping out at church & being a good example to us all!
I always enjoyed any time spent with Brother Joe, and Sister Rita, and I’ll surely miss such a good friend!!

“ Bro. Joe was always making sure others were taken care of, he was always talking about the Lord and giving his testimony. When we sang for him recently, he was raising his hand in the air and was praising God for " lifting him out".

He was always giving compliments and encouragement to us as younger adults. He will be missed so much!! We loved Bro. Joe and will see him again in heaven someday, thank the Lord! His theme song:

TITLE: HE LIFTED ME OUT!

CHORUS:

*He lifted me out of the deep miry clay;
He settled my feet in the straight, narrow way;
He lifted me up to a heavenly place,
And floodeth my soul each day with His grace.*

=====

*I was out on the broad way of sin and despair,
Crushed beneath my burden of sorrow and care;
My constant companions were trouble and doubt,
Till Jesus reached down and lifted me out.*

=====

*I was wandering afar from my Saviour and home,
Fainting and weary in sin did I roam;
I needed a hand to turn me about,
Then Jesus reached down and lifted me out.*

=====

*I was building my home on the dry shifting sand,
Casting my lot in a cold barren land;
You're doomed now for aye I heard Satan shout;
But Jesus reached down and lifted me out.*

=====

*I have started for heaven my heart filled with song
Wandering is over my sins all are gone;
Through Jesus' own blood cleansed within and without
O praise His dear name He lifted me out.*
