“ My mother worked with Kareen at GMH, she was not only a colleague to her but a great friend as well. She did a lot of things for our mother through her lengthy illness and subsequent death that I'm sure no other employer would have done. Your Mom was a kind and loving person. Please know your family is in my thoughts and prayers.

Thank You!

I know it's been 4 years but, I just stumbled upon this post (her birthday's in a couple of days). I'm Kareen's granddaughter, Shannon. She has been my role model since I can remember. It's always nice to see where her compassionate nature had an impact on someone else. The simple fact that you took the time to post this means alot to me personally. Thank you!

And, honestly, I think the fact that I'm seeing this so long after her passing is more impactful.

I'm sorry for your loss, too. I know she's watching over you and your family the way only mothers can ❤️

Mrs. Jones was such a sweet and loving woman. I have known her since I was a little girl. I am really going to miss her a lot. My thoughts and prayers are with her family. May God wrap his arms around all of you through this hard time. Heaven gained another beautiful angel.
